FIG. 7E-3

FIG. 7E-4 is a screenshot of a user interface for a system for monitoring employee availability. The interface displays a list of months from January to December, each with a corresponding input field for the month name. Below this list, there are two columns of settings: English and Esperanto. The English column lists System, Setup Screen, Company Name, General Settings, Display Date, Date Format, Display Time, and Time Format. The Esperanto column lists the same settings in Esperanto: System, Setup Screen, Company Name, General Settings, Display Date, Date Format, Display Time, and Time Format. Each setting has a corresponding input field with a dropdown arrow on the right side.
